Sub:- Proposals involving Increase in CAPEX/OPEX

Proposals involving increase in CAPEX and OPEX are being frequently received, without estimates of additional revenue that the proposal would generate. **In this regard**, the Prasar Bharati Board in its 150th Meeting has made the following observation:

"...any proposal entailing increase in CAPEX/OPEX must invariably be supported with the estimation of additional revenue that the proposal would generate. This must be placed before the Finance Committee and duly recorded."

2. In view of the above, all concerned are requested to note the above direction of the Board and ensure that all proposals involving increase in CAPEX and OPEX are, invariably, accompanied with estimation of additional revenue that the proposal would generate along with the agenda note for consideration of Finance & Accounts Committee (FAC).
