No.: PB-10(14)/2020-21/NPS/ **1353-59**

Dated:14.08.2020

Sub: Effective implementation of New Pension Scheme- reg.

NPS Operations Review Report for the month of June-2020, wherein the performance of Prasar Bharati was assessed on various parameters, has been received from NSDL. It emerged out that, under NPS framework, strict penalty provisions are set for any negligence at the end of the Organisation. Also, it may lead to monetary loss to the NPS subscribers. The monthly review report along with the DDO wise details of NPS subscribers which need corrective action are enclosed as Annexure 'A'. In order to implement National Pension Scheme (NPS) effectively the following major issues have been noticed which require immediate corrective actions by concerned CDDO/PAOs.

1. **Delay in registration of all eligible subscribers** – As per the review report for the month of June 2020, there are 21 new PRANs generated with period of 0-3 months between date of joining and PRAN generation. Registration of eligible employees under NPS beyond a reasonable timeframe impacts their accumulations as well as the pension receivable at the time of their retirement. **All efforts, in this regard, should be made to ensure that the NPS registration of the new employee is done at the time of joining itself.**
2. **Non-IRA PRANs:** Non IRA PRANs are those wherein no contribution has been made for last 10 months. In our case, there are 2 Non IRA PRANs (Deactive) with Balances. Such cases need to be reviewed and if required, the corrective action may be taken to settle the cases.
3. **PRANs with NIL credits** – There are 24 PRANs which have not received any credit since inception. Out of this, there are 15 PRANs which were generated prior to June, 2015 i.e. no contribution for more than 5 years.
4. **PRAN without nominations and contact details** – There are 119 PRANs with no nomination details. Also, availability of proper contact details in CRA system play vital role under NPS. There are 24 PRANs without contact details. Due to absence of contact details, important communications regarding NPS cannot be disseminated in time.
5. **Low subscriber coverage** – An analysis of the data on transfer of NPS contributions in last 12 months as on July 7, 2020 reveals that none of the past months have achieved 100% subscriber coverage. This happens mainly due to not uploading of the Subscriber Contribution File (SCF) by the DDOs.
6. **Non Uploading/Delaying in upload of NPS contribution** – As per the OM dated 02.09.2008, the DDOs should upload the Subscriber Contribution File and obtain the transaction I.D. by the 25th of each month and the NPS contributions should be credited to the account of the Trustee Bank by the DDO on the last working day of each month or on salary day. The total number of PAOs/CDDOs registered with NSDL is 425 as on 30.06.2020 out of these only 390 DDOs have uploaded SCF. It has also been noticed that all the CDDOs are not uploading the SCF regularly and as much as 26% PRANs were not credited with their NPS contribution by 7th of the next month.

7. **Funds returned by Trustee Bank for the period June 2020** – Out of a total of 441 cases, funds in 11 cases amounting to Rs. 3.28 lakhs have been returned by Trustee Bank.

Since, the issues highlighted in para 5, 6 and 7 above have the financial implications, DDOs should be more cautious and ensure the timely and correct credit of the NPS contribution for all eligible NPS subscribers.

8. **Non-initiation of online withdrawals even after superannuation** – There is 7 cases where withdrawal requests have not been initiated even after superannuation.
9. **Pending withdrawal cases for authorisation & Non- submission of documents for online withdrawal** – There are 2 partial withdrawal requests pending for authorisation for a month also there are 18 online withdrawal cases where documents for online withdrawal to CRA have not been submitted.
10. **Withdrawal requests pending for purchase of annuity & Claim IDs generated but subscribers yet to be superannuated** – There are 6 requests pending for purchase of annuity for 6 months. There are 8 claim IDs generated but subscribers are yet to be superannuated. All such cases have to be submitted to the CRA in timely manner.
11. **No login on Dashboard of NSDL:** Out of a total 533 registered PAOs, 386 PAOs never logged in to the NSDL dashboard. It may be noted that the information of all the above mentioned issues are available on the NSDL dashboard and regular review of the dashboard may become helpful in minimising the highlighted issues. Hence, DDOs should make a habit of logging into the NSDL dashboard regularly.

The above observations indicate that many of CDDOs/PAOs are still not following instructions issued from time to time. All CDDOs/PAOs are, therefore, once again directed to ensure that SCFs are uploaded within due date along with update of nominations and contact details in respect of all employees. Other issues mentioned above may also be addressed scrupulously.

In order to avoid any penalty that may be imposed under NPS framework, ADG (Admin), DD/AIR, are requested to look into the matter and ensure that appropriate immediate actions are taken by the DDOs and the discrepancies mentioned above may not be repeated in future.

Encls: As above.

(C. K. Jain)

Dy. Director General (B&A/CAS)

ADG (Admin), Doordarshan, Doordarshan Bhawan, New Delhi

ADG (Admin), All India Radio, Akashwani Bhawan, New Delhi
