4(18)2020/IT

Date 20th August, 2020

**Sub: Minutes of Meeting regarding Closure of Websites of AIR and DDn Kendras.**

An on-line Meeting was held on **18.08.2020** under the Chairmanship of CEO/M(F) to discuss the difficulty being faced and to decide the modality for closing websites, which are still operating by Prasar Bharati subordinate offices despite repeated reminders issued by IT Division Prasar Bharati from time to time. The meeting was attended by DG DDn, ADGs from Delhi and zones, DDGs from IT Division, Prog Policy, NABM and PBNS Head.

As per Domain Policy Guidelines issued by Prasar Bharati Sectt, all subordinate office websites are to be migrated to prasarbharati.gov.in domain. The corporate part is to be accommodated under the subdirectory and channel specific/commercial part is to be migrated to sub-domain of the prasarbharati.gov.in.

A comprehensive Power Point presentation regarding the present domain policy of Prasar Bharati and requirement for migration of websites was given by DDG(IT) Infra.

In the meeting following decisions/deliberations were made:--

S.No.	Point of discussion	Decisions	Action taken by
1.	Stations/Kendra's Websites have provisions for stations contact information, station profile, programme details, local events, blog and schedule. The Zonal ADGs and DDG(Policy) pointed out that the	CEO directed that the difficulties that are being faced for migration as well as the provisions that are required to be created may be intimated by the concerned ADGs. PBNS Team to make necessary provisions for the same.	<b>PBNS and Concerned ADGs</b>

	provisions for accommodating this information in the main Corporate Website is required to be provided for migration.		
2.	Member(Finance) directed to start the migration with a sample Website. Necessary provisions and modalities are to be finalised and the same procedure is to be adopted for migration of remaining Websites/of Kendras/Stations.	<b>ddchandana.gov.in</b> website can be taken as a pilot case and modalities for remaining Websites to be finalized.	<b>PBNS team and Stations/ Zonal ADGs</b>
3.	ADG(Maintenance) South Zone presented the functioning of their Website and requested that they need to maintain this website for communicating with the stations/Kendras. They are running an application on this Website which is used for getting data pertaining to HR, inventory, and periodical reports.	It was decided that the corporate information available at Zonal website is to be migrated to the main Website i.e. <b>prasarbharati.gov.in</b> . For getting communication /information through the stations, the existing Application can be hosted in a central cloud after review so that the same Application can be utilised by all the zones. This will help in standardisation of data and procedure. For intra station/zones communication (B2B), Prasarnet can be used.	<b>IT Division, PBNS, Central Store and Zonal Office.</b>
4.	PBNS head informed ownership of cloud	CEO directed to put up a formal proposal for	<b>PBNS</b>

	server on NIC cloud should be with single authority and is to be given to IT Division server team, so that there will be uniformity in management.	consideration.	
5.	allindiaradio.gov.in and doordarshan.gov.in websites are also required to be migrated to corporate website as per domain policy.	These domains are to be redirected to <a href="http://prasarbharati.gov.in/">http://prasarbharati.gov.in/</a> air and <a href="http://prasarbharati.gov.in/doordarshan">http://prasarbharati.gov.in/doordarshan</a> .	<b>PBNS</b>

All the Websites are required to be migrated in a time bound manner. The provision are to be made by 30th September, 2020.

Meeting ended with vote of thanks to chair.
