ICC Women's World Cup 2022 LIVE on All India Radio

प्रविष्टि तिथि: 08 MAR 2022 12:54PM by PIB Delhi

As we celebrate International Women's Day today, our Indian Women's Cricket team has already set the stage for becoming the champions of the ongoing 2022 ICC Women's Cricket World Cup, by defeating Pakistan in their debut match of the tournament. To bring this glorious campaign of our women's cricket team to you, Prasar Bharati is covering this month-long event LIVE through Radio Commentary on All India Radio network.

The commentary of ICC Women's Cricket World Cup 2022, which started earlier this month, is being broadcast by All India Radio on all its primary channels across the country, AIR FM Rainbow network, DRM and DTH channels.

To make the coverage more interesting and engaging, All India Radio will produce special studio based programmes wherein experts will give insights into all the developments in the tournament at various levels. These programmes will be interactive and bilingual – Hindi and English.

To keep the viewers hooked to All India Radio, these insightful shows will be broadcast before the beginning of the matches, during the breaks and post-matches. For our digital audience, these programmes will also be available on Prasar Bharati Sports YouTube channel - <https://www.youtube.com/c/PrasarBharatiSports>

To make the coverage inclusive, hourly updates on the progress of the cricket matches will be broadcast by All India Radio stations across the country in their respective regional languages.

For all the updates on the coverage through the duration of the tournament, stay tuned to the Twitter handle of All India Radio Sports @akashvanisports and Doordarshan Sports @ddsportschannel.
